PROCLAMATION
DISTRACTED DRIVING AWARENESS MONTH
APRIL 2019

Distracted driving is any activity that could divert a driver's attention away from the primary task of driving a vehicle. All distractions endanger driver, passenger and bystander safety. According to the National Highway Traffic Safety Administration, in 2016 alone ~ 3,450 lives were lost in distraction-affected crashes, while an estimated 391,000 were injured in motor vehicle crashes involving distracted drivers in 2015. Engaging in visual-manual subtasks associated with the use of hand-held phones and other portable devices increases the risk of getting into a crash by three times, while texting and driving increases the risk for a crash by 23 times. Considering the significant risks, the best way to end distracted driving is by educating all Americans about the dangers inherent with these behaviors.

Therefore, the Mayor and Town Council of the Town of Herndon, Virginia, hereby proclaim the month of April 2019, as **Distracted Driving Awareness Month** in the Town of Herndon; support the Herndon Police Department in raising awareness about distracted driving; and encourage education about of the significant dangers of distracted driving ~ improving highway safety for all citizens and visitors to Herndon, Virginia.
