TOWN OF HERNDON, VIRGINIA
PROCLAMATION
PEARL HARBOR REMEMBRANCE DAY
DECEMBER 7, 2019

Each year, **Pearl Harbor Remembrance Day** is designated throughout the United States to remember and honor all those who died or were injured in the attack that occurred at Pearl Harbor near Honolulu, Hawaii, just before 8:00 a.m. on December 7, 1941. In this attack, more than 2,400 American military personnel were killed and the more than 1,200 were wounded. The attack on Pearl Harbor destroyed nearly 20 American naval vessels, including eight battleships and almost 200 airplanes. December 7, 1941, was a date that would "live in infamy" ~ as President Franklin Delano Roosevelt told an anxious nation after the attack.

On December 8, 1941, Congress approved President Roosevelt's declaration of war on Japan. Three days later, Japanese allies Germany and Italy declared war against the United States, and Congress reciprocated.

The Mayor and Town Council of the Town of Herndon, Virginia, proclaim December 7, 2019 as **Pearl Harbor Remembrance Day** in the Town of Herndon; call on all citizens to honor this day, which marks the 78th anniversary of the attack on the United States Armed Forces at Pearl Harbor; pay tribute with the appropriate observances and activities; and express unending appreciation for the selfless sacrifices of those who served, fought, and lost their lives during this war.

Further, the Mayor and Town Council of the Town of Herndon, Virginia, proclaim that the town shall annually observe the 7th of December as **Pearl Harbor Remembrance Day**; salute World War II veterans, along with all those brave individuals who have served or continue to serve in our armed forces; and thank them for their courage and dedication to our country.

TOWN OF HERNDON, VIRGINIA

FRANCHISE AGREEMENT

TERMS AND CONDITIONS FOR USE OF TOWN'S RIGHTS OF WAY

This Agreement (the "Agreement") is dated this 12th day of November 2019, by and between the TOWN OF HERNDON, a Virginia municipal corporation (the "Town") and AT&T COMMUNICATIONS OF VIRGINIA, LLC, a subsidiary of AT&T, Corp. ("Franchisee"), having its principal place of business at One AT&T Way, Bedminster, New Jersey 07921.

Section 1 In consideration of Franchisee's collection and transmission to the Town of a monthly public rights-of-way use fee as set by the Virginia Department of Transportation (VDOT) pursuant to §56-468.1, Code of Virginia (1950), as amended, Town awards to Franchisee, its successors and assigns, for the term of ten years after the Effective Date (as defined in Section 11), and subject to the conditions and limitations described herein, a non-exclusive franchise to use the streets, alleys, rights-of-way, and public places of the Town as shown on the drawing attached as Exhibit A (the "Drawing"). The purpose of this grant is to allow Franchisee to continue to occupy the Town's streets, alleys, rights-of-way, and public places with Franchisee's existing underground telecommunications facilities and future construction of additional underground telecommunications facilities for which permits may be issued by the Town ("Facilities") for the purpose of placing the Franchisee's wires, cables and appurtenances thereto for providing telecommunications services.

If the General Assembly of Virginia or other authority repeals or voids the public rights-of-way fee, or if and to the extent that Franchisee under this Franchise provides service other than local exchange or interexchange telecommunications services, and where allowed by law, on and after the effective date of the repeal, or the provision of such other services, and where allowed by law the Franchise fee shall be the Virginia Department of Transportation's Right-of-Way Use Fee which is adjusted annually. In consideration of Franchisee's operation of the Network in the Town ROW, Franchisee shall collect and remit to the Town a monthly Public Right-of-Way Use Fee as set by the Virginia Department of Transportation (VDOT) pursuant to § 56-468.1, Code of Virginia as amended. In the event that the applicable law regarding compensation is amended or repealed, the parties agree to work in good faith to establish consideration in accordance with applicable law.

All Virginia Department of Transportation projects that will begin design and/or construction over the next 6 years are posted on their website. In the near future there are projects in the Town of Herndon that will affect Elden Street, Van Buren Street and Spring Street. Existing telecommunications providers with facilities in these areas are and will be participating in joint design and relocation projects. Franchisee shall either participate in, or coordinate with and accommodate, the joint designs and relocation projects as a condition to use of the public right-of-way on streets affected by these Virginia Department of Transportation projects.

No construction under this franchise on any route described by Exhibit A may feature Facilities that exceed four conduits, whether free conduits or conduits encased in steel, plastic, or concrete; and no conduit may exceed two inches in diameter.

Section 2 All Facilities, under or along streets, alleys, rights-of-way, and public places of the Town authorized by this Agreement to be placed and constructed, shall be located as shown on the Drawing, attached as Exhibit A and incorporated by reference. Prior to construction in and under the streets, alleys, rights-of-way, and public places of the Town, Franchisee must obtain (if it can) approval from the Town of Franchisee's plans, showing the location of the proposed Facilities. Any approval will be in the form of an excavation permit. If such Facilities are already in existence, Franchisee is authorized to use those Facilities.

Franchisee shall assure that all utility markings it makes shall meet these standards. (i) Utility markings in the Heritage Preservation Districts, as shown on the Town of Herndon Zoning Map, must be accomplished by flags or stakes, or by "spot markings" with water soluble paint. (ii) Outside of the Heritage Preservation Districts, utility markings shall be made with water soluble paint. The Town supports and encourages utility markings with flags or stakes, or by "spot markings" with water soluble paint.

Section 3 Franchisee agrees to relocate at its own expense unless otherwise provided by general law of this Commonwealth and by the ordinance of the Town, within one hundred twenty days of written notification from the Town, all Facilities which, in the reasonable discretion of the Town using recognized engineering standards, interfere, disturb or conflict with the operation, relocation, improvement, repair, construction or maintenance of present or future streets, alleys, rights-of-way, public grounds, storm drainage systems, sewer systems, water mains or other public facilities.

Franchisee shall relocate the Facilities using like construction, or better, if technological advances warrant such, to such places designated by the Town. The Town shall use reasonable good faith efforts to designate locations for any relocated Facilities that will permit Franchisee to continue efficiently to serve its existing and future customers. Any Town permits needed as a result of a relocation request by the Town, shall be of no cost to Franchisee. All Facilities shall be relocated underground. Any reimbursement for relocation costs for new installations allowed by general law of this Commonwealth and ordinances of the Town, shall be in accordance with Va. Code Ann. §56-468.2, if the General Assembly has not repealed the public rights-of-way use fee legislation.

Section 4 In the location, erection, operation and maintenance of Facilities, Franchisee shall comply with the requirements of Article II, "Tree Protection and Preservation," Chapter 26 "Environment," Herndon Town Code (2000), as amended, and as may be amended. This article, among other things, provides that "[n]o person, public utility or other firm shall plant, spray, fertilize, preserve, prune, remove, cut above ground, or otherwise disturb any tree within any public right-of-way or town owned property without first filing an application and procuring a tree permit from the

urban forester. The person, public utility or firm receiving the tree permit shall abide by the Arboriculture Specifications and Standards of Practice adopted by the National Arborist Association Standards.”

Section 5 If Franchisee shall, in the construction, operation, replacement, maintenance, removal or repair of its Facilities, damage any pavement, street, alley, sidewalk, sewer, water or other pipe or other public property belonging to the Town, Franchisee shall promptly repair the same at its own cost and expense. If Franchisee shall default in this obligation, the Town may cure such default and shall charge the work to the Franchisee in accordance with the Town’s then current standard rates for such work. However, prior to performing any such work, the Town will give Franchisee written notice of the default and a period of thirty days after receipt of such notice within which to cure the default. The Town shall extend the thirty-day period for a reasonable time if such default cannot reasonably be cured within such period and Franchisee has commenced and is diligently pursuing such cure. If Franchisee does not so cure the default, the Town will provide Franchisee with a written notice advising of the expiration of the cure period and stating the date (which date shall be no less than three business days after Franchisee’s receipt of such notices) on which the Town intends to commence the work on Franchisee’s behalf.

Notwithstanding the foregoing, if such default threatens the public health or safety, the Town shall make a reasonable effort to provide Franchisee with telephonic notice and an opportunity to immediately cure such default. If the Town is unable to reasonably provide such notice or Franchisee fails to immediately cure the default, the Town may commence the cure on Franchisee’s behalf. In any event, the Town shall immediately thereafter provide Franchisee with written notice of Town’s performance of such emergency work.

Except in an emergency, prior to commencing work on any street, alley, right-of-way, or public ground, Franchisee shall obtain an excavation permit or other necessary approval to do such work and shall exercise reasonable judgment in order to avoid any inconvenience to the general public or the Town’s work forces. Franchisee shall not impede the flow of traffic to any greater extent than is reasonably necessary in performing any maintenance, removal, replacement, construction or repairs. Franchisee shall strictly abide by the permit or approval requirements, including those requirements relating to time limitations.

Franchisee is bound by all applicable police power measures now or in the future adopted by the Town, in addition to the terms of this Agreement.

Section 6 Franchisee shall indemnify the Town, its officers, officials and employees (for purposes of this section only, collectively the “Town”), and shall hold the Town harmless from liability on account of injury, death or damage to persons or property arising out of the construction, improvement, removal, maintenance, repair or operations of its Facilities. If such suit shall be brought against the Town, either independently or jointly with Franchisee, Franchisee will defend, indemnify and hold the Town harmless in any such suit, at the cost of Franchisee. If a final judgment is obtained against the Town, either independently or jointly with Franchisee, Franchisee will pay the

judgment, including all costs, and will hold the Town harmless therefrom. This indemnity shall not apply to claims for liability for damages arising out of bodily injury to persons or damage to property caused by or resulting solely from the negligence of the Town, its agents or employees.

Franchisee shall obtain and maintain during the life of this agreement general and motor vehicle liability insurance with commercially reasonable limits of coverage, insuring against liability arising under this agreement. Franchisee shall name Town as an additional insured on this coverage and shall on Town's demand provide to Town an insurance certificate indicating such coverage.

Notwithstanding any other provision of this Agreement, in no event shall either party be liable for consequential, incidental, punitive, exemplary, or similar damages under this agreement.

Section 7 If Franchisee does not comply with the terms of this Agreement within thirty days after written notice of such non-compliance from the Town, the Town, at its option, may terminate the Franchise. However, such thirty-day period will be extended for an additional period of time as is reasonable under the circumstances if Franchisee's non-compliance cannot reasonably be cured within the thirty-day period and if Franchisee has commenced a cure within such period and continues to diligently pursue such cure.

Section 8 If this Agreement is terminated for default, Franchisee shall remove its Facilities or convey to the Town all right, title and interest that Franchisee has in the Facilities and shall release any and all permits it may have to operate the Facilities.

Section 9 This Franchise is not assignable or transferable without the express written permission of the Town, which permission shall not be unreasonably conditioned, withheld or delayed. However, Franchisee may assign, transfer or sublet its rights, without the consent of the Town, to any person or entity that controls, is controlled by or is under common control with Franchisee, or to any lender of Franchisee, provided the Town is advised of the action prior to enactment. Any successor(s) of Franchisee shall be bound by all of the terms and conditions of this Franchise and shall be subject to all the provisions, obligations, and stipulations here prescribed.

Section 10 The rights, privileges and duties here granted shall continue for ten years, after the Effective Date (as defined in Section 11). Prior to the expiration of this Agreement, the parties may make a good faith effort to negotiate and enter into a Franchise agreement upon reasonable terms and conditions. Franchisee shall remove all Facilities from the streets, alleys and public places of the Town at the expense of Franchisee as soon as possible after the expiration, termination or abandonment of this Agreement, or by such reasonable time to be prescribed by the Town Council. Such Facilities may be abandoned without removal upon approval by the Town.

Section 11 This Agreement shall become effective on the date of Franchisee's written acceptance of this Franchise (the "Effective Date"). Franchisee shall then enter into a bond in the sum of Ten thousand dollars with good and sufficient surety, acceptable to the Town Attorney, conditioned to the effect that Franchisee will construct and maintain, or if constructed, will maintain,

the Facilities in good order throughout the term of the grant, and (subject to the cure rights set forth in Section 7 hereof) will comply with this Agreement in all respects. This Agreement shall be void if the Effective Date does not occur within one year after the Town adopts an ordinance approving this Franchise, or if Franchisee does not obtain (or has not obtained) an initial permit for installation of Facilities within one year after the date of Town's adoption of the approving ordinance.

Section 12 Any notice given under this Agreement shall be mailed or delivered to the Town of Herndon, Attention: Town Manager, 777 Lynn Street, Herndon, Virginia 20170, and to Franchisee at, Attention: ROW Manager 3450 Riverwood Pkwy SE, Atlanta, GA 30339, by registered or certified mail, if mailed, return receipt requested; and shall be deemed delivered when received or refused by the addressee. The parties may change addresses by like notice.

Section 13 Both the Town and Franchisee reserve and may seek any and all remedies available at law. Neither the Town nor Franchisee shall be deemed to have waived any rights or remedies at law by virtue of executing this Agreement.

If such suit shall be brought against the Town, either independently or jointly with Franchisee, Franchisee will defend,

indemnify and hold the Town harmless in any such suit, at the cost of Franchisee. If a final judgment is obtained against the Town, either independently or jointly with Franchisee, Franchisee will pay the judgment, including all costs, and will hold the Town harmless therefrom. This indemnity shall not apply to claims for liability for damages arising out of bodily injury to persons or damage to property caused by or resulting solely from the negligence of the Town, its agents or employees.

Franchisee shall obtain and maintain during the life of this agreement general and motor vehicle liability insurance with commercially reasonable limits of coverage, insuring against liability arising under this agreement. Franchisee shall name Town as an additional insured on this coverage and shall on Town's demand provide to Town an insurance certificate indicating such coverage.

Notwithstanding any other provision of this Agreement, in no event shall either party be liable for consequential, incidental, punitive, exemplary, or similar damages under this agreement.

Section 7 If Franchisee does not comply with the terms of this Agreement within thirty days after written notice of such non-compliance from the Town, the Town, at its option, may terminate the Franchise. However, such thirty-day period will be extended for an additional period of time as is reasonable under the circumstances if Franchisee's non-compliance cannot reasonably be cured within the thirty-day period and if Franchisee has commenced a cure within such period and continues to diligently pursue such cure.

Section 8 If this Agreement is terminated for default, Franchisee shall remove its Facilities or convey to the Town all right, title and interest that Franchisee has in the Facilities and shall release any and all permits it may have to operate the Facilities.

Section 9 This Franchise is not assignable or transferable without the express written permission of the Town, which permission shall not be unreasonably conditioned, withheld or delayed. However, Franchisee may assign, transfer or sublet its rights, without the consent of the Town, to any person or entity that controls, is controlled by or is under common control with Franchisee, or to any lender of Franchisee, provided the Town is advised of the action prior to enactment. Any successor(s) of Franchisee shall be bound by all of the terms and conditions of this Franchise and shall be subject to all the provisions, obligations, and stipulations here prescribed.

Section 10 The rights, privileges and duties here granted shall continue for ten years, after the Effective Date (as defined in Section 11). Prior to the expiration of this Agreement, the parties may make a good faith effort to negotiate and enter into a Franchise agreement upon reasonable terms and conditions. Franchisee shall remove all Facilities from the streets, alleys and public places of the Town at the expense of Franchisee as soon as possible after the expiration, termination or abandonment of this Agreement, or by such reasonable time to be prescribed by the Town Council. Such Facilities may be abandoned without removal upon approval by the Town.

Section 11 This Agreement shall become effective on the date of Franchisee's written acceptance of this Franchise (the "Effective Date"). Franchisee shall then enter into a bond in the

sum of Ten thousand dollars with good and sufficient surety, acceptable to the Town Attorney, conditioned to the effect that Franchisee will construct and maintain, or if constructed, will maintain, the Facilities in good order throughout the term of the grant, and (subject to the cure rights set forth in Section 7 hereof) will comply with this Agreement in all respects. This Agreement shall be void if the Effective Date does not occur within one year after the Town adopts an ordinance approving this Franchise, or if Franchisee does not obtain (or has not obtained) an initial permit for installation of Facilities within one year after the date of Town's adoption of the approving ordinance.

2. Positions and Informational Items

The Town Council advises its representatives in the General Assembly of the following legislative positions without requesting any such specific legislation:

Blight and Neighborhood Preservation. The Town supports broadening the laws regarding blight. This could be done through empowering localities' flexibility with building permits issued for repairs or renovation. Methods include the requirement of timely completion of the work or, failing a legitimate plan by the owner, diligently pursued, to complete the work, authorizing local government action to correct the health and public safety problems created by incomplete structures to either seize available assets of the owner and use them to fund corrective action, or impose high fees that would recover the locality's costs on a priority basis. This would be similar to the localities' powers for recovering unpaid taxes. Further, the Town supports expansion of the definition of derelict building contained in Virginia Code Section 15-2.907.1 to include buildings that are not completed. The Town supports strengthening the minimum Property Maintenance Code.

Housing Solutions. The Town supports housing solutions. Local governments are the solution for solving the housing crisis in the Commonwealth. Allowing local governments the authority to use flexible tools for achieving housing goals and greater land use authority for creative housing types is needed including state funding for affordable and workforce housing.

State Maintenance Funds for Roadway Paving. The Town supports efforts to require that the Virginia Department of Transportation fund road maintenance

through the two programs established to help localities with roadway maintenance, the Revenue Sharing maintenance program and the State of Good Repair program.

Commercial Vehicles on Public Streets. The Town supports legislation that would amend Section 46.2-1222.1 of the Code of Virginia to allow localities to prohibit the parking of commercial vehicles weighing 8,000 lbs., or more on residential streets. The current minimum gross vehicle weight that can be regulated is 12,000 lbs.

Proffers. The Town supports that until a comprehensive impact fee system is authorized, the state code should extend to all localities full authority for conditional zoning to meet the needs to new citizens for public infrastructure.

Commonwealth Attorney Funding. The Town urges the General Assembly to fully fund all currently authorized positions for Commonwealth's Attorney offices statewide to allow these offices to fully comply with new discovery rules being promulgated by the Virginia Supreme Court; to keep up with and effectively incorporate new sources of evidence resulting from new technology, including body worn camera video; and to make up for historic under-funding of these offices.

Communications Sales and Use Tax. The Virginia Communications Sales and Use Tax was enacted to establish a statewide tax rate and to preempt local taxes on communications sales and services. Town supports setting the tax rate at the same level as the state sales tax rate and broadening the coverage of the tax to include audio and video streaming services and prepaid calling cards. The Town opposes transfers of these revenues to the state general fund for purposes other than those currently stipulated in the Code of Virginia.

Distracted & Inattentive Driving. The Town supports local government authority to enforce full attention and time to driving ordinances. The Town supports access to training for impartial enforcement of these ordinances by all law enforcement personnel.

Local Option Regulation of Disposable Plastic Bags. The Town supports legislation to allow local option authority to develop incentives or regulations to decrease or otherwise regulate the distribution, sale, or offer of disposable plastic bags.

Stormwater Local Assistance. The Town supports continued investment in the Stormwater Local Assistance Fund to assist localities with critical stormwater projects to meet federal and state clean-water requirements.

Equal Rights Amendment. The Town supports the passage of the Equal Rights Amendment (ERA) and urges the General Assembly to take the necessary steps to put this matter before the citizens of the Commonwealth of Virginia.

Education Funding. The Town opposes changes in methodology and changes in the division of financial responsibility that result in a shift of funding responsibility from the state to localities.

Taxing, Licensing, and Regulating Internet-based Businesses and Services. In taking state action to regulate private enterprises employing a business model that emphasizes the use of the Internet to either provide retail or facilities or ridesharing services, local government interests should be acknowledged, and localities should be included in the decision-making. The Town supports preservation of its ability to enter into voluntary collection agreements provided that such agreements include provisions to protect the public's interest.

Use of Locally-owned Rights-of-Way. Private use of public rights-of-way significantly increase management responsibilities and maintenance costs. The Town supports fair market value funding for private use of locally owned rights-of-way so that these costs not be disproportionately borne by local taxpayers.

3. The Town Attorney shall mail or deliver a copy of this resolution to the Town's representatives in the General Assembly, other selected members of the General Assembly, area local governments, and to other interested persons, as appropriate.
