## **DEED OF LEASE**

THIS DEED OF LEASE (“**Deed of Lease**”) is dated this 8<sup>th</sup> day of June 2021 (“Execution Date”) by and between the TOWN OF HERNDON, a municipal corporation, (“Town”) and NEW CINGULAR WIRELESS PCS, LLC, a Delaware limited liability company (“Lessee”).

### **PROVIDES:**

WHEREAS Town is the owner of the property known as Third Street Water Tower located at 806 Third Street, Herndon, VA 20170, Fairfax County Tax map Number 10-4-02-45A (“**Property**”) as further described on **Exhibit A** attached hereto and incorporated by reference.

WHEREAS Lessee wishes to lease certain space within the Property for the placement of Lessee’s equipment cabinets and space on the Town’s water tower (“**Tower**”) for placement of telecommunications antennas.

NOW THEREFORE, in consideration of the rent to be paid by Lessee to Town, the parties agree as follows:

#### **1. The Premises.**

- (a) Town leases to Lessee portions of the property consisting of (i) a space of approximately 312 square feet on the ground of the property (“**Ground Space**”); (ii) space on the Tower (“**Tower Space**”) for the placement of Lessee’s antennas and equipment; (iii) a non-exclusive easement twenty-four (24) hours per day, seven (7) days per week for vehicular and pedestrian ingress and egress to and over the Property, from an open and improved public right-of-way to the Premises and to, from and between the Ground Space and the Tower (“**Access Easement**”); and (iv) the temporary non-exclusive utility easements for the installation and maintenance of electric and telecommunications facilities as further described in section 4(b) of this Deed of Lease (“**Utility Easements**”). The Ground Space, Tower Space and Access Easement and Utility Easements are collectively referred to herein as the “**Premises**” and is further described on **Exhibits B and C** attached hereto and incorporated by reference.
- (b) For a period of sixty (60) days after the Execution Date, Lessee and its agents, engineers, surveyors and other representatives will have right to enter upon the Property and specifically the Premises during business hours (8:00 AM – 5:00 PM Monday through Friday) to inspect, examine, conduct soil borings, drainage tests, material sampling, and other geological or engineering tests or studies of the Property, to obtain a title report or commitment for leasehold title policy, to apply for and obtain licenses, permits, approvals, or other relief required of or deemed necessary or appropriate at Lessee’s sole discretion for its use of the Premises to include without limitation applications for zoning variances, zoning ordinances, amendments, special use permits, and construction permits (collectively referred as “**Governmental Approvals**”), and otherwise to do those things consistent with engineering standards on the Property that determine the feasibility or suitability of the Property for the Lessee’s permitted use, all at Lessee’s expense. Lessee will not be liable to Town or any third party on account of any pre-existing defect or condition disclosed by Lessee’s inspection. Upon the Town’s demand, Lessee shall restore the

relevant portions of the Property or Premises to its condition prior to Lessee's use, reasonable wear and tear and loss by casualty or other causes beyond Lessee's control excepted.

2. **Commencement and Ending Date of Term.** This Deed of Lease term will be five (5) years ("Initial Term"), commencing on June 1, 2021 ("**Commencement Date**"), and terminating on the fifth annual anniversary of the Commencement Date. This Deed of Lease will automatically renew for one five (5) year term ("**Renewal Term**") upon the same terms and conditions set forth herein unless Lessee notifies Town in writing of Lessee's intention not to renew this Deed of Lease at least sixty (60) days prior to the expiration of the Initial Term. The Initial Term, the Renewal Term, and any extensions thereof are collectively referred to as the "**Term**").

3. **Rent.**

- (a) Commencing on the Commencement Date, Lessee shall pay Town monthly rental for the Premises in the amount of Three Thousand Four Hundred Fifty-Seven and 65/100 Dollars (\$3,457.65) ("**Rent**"), exclusive of electricity which Lessee shall pay by submeter. The Rent shall be paid in advance on the first day of each month. Lessee shall pay a prorated monthly rental for partial month during which this Deed of Lease is its effect.
- (b) If this Deed of Lease is terminated prior to expiration, Rent shall be prorated to the date of termination.
- (c) Beginning with the second year of the Term, and for each year thereafter, the Rent will be increased by three (3%) percent over the previous year's Rent.

4. **Use of Premises.**

- (a) Lessee may use the Premises solely for installing, operating, repairing, replacing and maintaining the wireless communications equipment ("**Equipment**") as substantially described in **Exhibit C** attached hereto, which Equipment will be used for transmission and reception of communication signals and form part of a telecommunications system licensed by the Federal Communications Commission, and for activities reasonably related thereto. The Equipment listed in **Exhibit C** may be replaced, without the Town's consent and without requiring an amendment to this Deed of Lease, with Equipment that is not substantially greater in size than the Equipment listed on **Exhibit C**. Otherwise, Lessee shall have the right to alter, replace, supplement, expand, enhance, upgrade the Equipment, consistent with this Deed of Lease at any time during the term of this Deed of Lease, upon the prior written consent of Town, which consent shall not be unreasonably withheld, conditioned or delayed, and a decision thereon shall be communicated to Lessee in writing within ten (10) days following Lessee's request. Town reserves the right to utilize remaining area of the Property as it so desires, subject to Lessee's right under this Deed of Lease, including, without limitation, Lessee's right pursuant to Section 5. This paragraph does not apply to or limit Town's police power or any decision under Town's police power. Nothing in this Deed of Lease shall affect Town's power, right, or ability to use the Property or Premises for a municipal water supply, which is and must remain the dominant use of the Property and the Premises.
- (b) Town also grants to Lessee Utility Easements, over, through, under, and across so much of the

Property and the

Premises as is reasonably necessary as reasonably determined by the Town for installation and maintenance of requisite wires, cables, conduits and pipes for utilities, for the installation, operation and maintenance of the Equipment, and for activities reasonably related thereto, including ingress and egress. The Utility Easements are shown on **Exhibit**

**C.** Town's fence shall be unaffected by the Utility Easement. This installation shall be performed in a workmanlike manner with minimal disruption to Town and its existing lessees. The Utility Easement shall expire or terminate with the expiration or termination, by whatever means, of this Deed of Lease. Except for facilities in the equipment cabinets, all utility facilities shall be located underground.

- (c) Lessee's use of the Premises and Property shall meet noise attenuation standards as set forth in §78-130.2 and table 78-130.2(a) of the Zoning Ordinance (2007), Herndon Town Code (2000), as amended, and as may be amended from time to time, with necessary changes, incorporated by reference. Lessee acknowledges and agrees to implement sound attenuation measures as may be required by Town to mitigate noise associated with Lessee's Equipment in order to comply with the noise attenuation standards.
- (d) Lessee shall follow all applicable Federal, State, and Town regulations.
- (e) The Herndon 3rd Street Water Tower constitutes a municipal water storage and distribution resource, its dominant function. Town may maintain, paint, repair, and use the water tower for this purpose. Lessee, at their respective expense, upon not less than ninety (90) days prior written notice from Town must move, temporarily remove, relocate, or temporarily disable their respective uses to accommodate such activities by Town. Rent shall abate during such temporary removal or temporary disabling when the Equipment is rendered useless. During a temporary relocation, Lessee is permitted to locate on the Premises a temporary communications facility, such as a cell on wheels. In the latter case, rent shall not abate.

## **5. Interference.**

- (a) Lessee shall install and operate its Equipment in a manner which shall not cause technical interference to Town or other lessees with tenancies pre-dating that of the Lessee, and shall comply with all federal, state and local regulations governing the installation and operation of the Equipment. Lessee and Town shall consult on the location of any future equipment placed on the Premises to assess and mitigate the risk of interference.
- (b) Town will provide Lessee with a list of all existing and known future radio frequency user(s) (and their frequencies) on the Property to allow Lessee to evaluate the potential for interference, Lessee warrants that its use of the Premises will not interfere with existing radio frequency user(s) on the Property as long as the existing frequency user(s) operate and continue to operate within their frequencies, and in accordance with all applicable laws and regulations.
- (c) Town has entered into agreements in the past similar to this Deed of Lease, and is required by those agreements to advise Lessee as follows: (1) Lessee's Equipment shall be the type and frequency which will not cause material interference to the equipment of any prior lessee of the Property, and (2) Lessee has reviewed the existing facilities on the Property and is

satisfied that these facilities will not cause interference with the Lessee's use of the Equipment. Town agrees to give subsequent lessees the same notice as given to Lessee immediately above.

- (d) Any equipment installed by Town or other lessees after the date Lessee has installed the Equipment may cause irreparable injury to Lessee; and, therefore, Lessee shall have the right, in addition to any other rights that it may have at law or in equity, to bring a court action against the interfering lessee, licensee, user or occupant (but not the Town) to enjoin such interference, or to terminate this Deed of Lease immediately upon written notice.
- (e) For the purposes of this Deed of Lease, "interference" may include, but is not limited to, any use on the Property or any of Town's contiguous, adjoining, or surrounding property that causes electronic or physical obstruction with, or degradation of, the communications signals from the Equipment.

6. **Permits and Approvals.** Upon request and in addition to its obligations under the Marking and Lighting Requirements Section of this Deed of Lease, Town shall cooperate with Lessee in obtaining, at Lessee's expense, all licenses, permits and other approvals required for Lessee's use of the Premises and operation of the Equipment. This Deed of Lease is conditioned upon Lessee's obtaining, prior to the Commencement Date, all licenses, permits and other approvals required by any federal, state, or local authority which will permit Lessee's use of the Premises as stated in Section 4 and operation of the Equipment.

7. **Improvements Liability, Utilities, Access.**

- (a) At Lessee's expense and with minimal disruption to Town and its lessees, Lessee may install, erect, maintain, repair, replace and operate the Equipment and supporting structures on the Premises. Lessee may complete all work necessary to prepare, maintain and alter the Premises for operation of the Equipment, including but not limited to installation of underground (but not aerial) transmission lines, as shown on **Exhibit C** or as otherwise provided in this Deed of Lease. Lessee shall fully restore to its prior condition any portion of the Property or Premises disturbed by Lessee, reasonable wear and tear and loss by casualty or other causes beyond Lessee's control excepted. Notwithstanding its affixation to the Premises, title to the Equipment and all associated structures, underground transmission lines, cables, wires, and conduits shall remain with Lessee and no financing document relating to the Premises shall affect Town's title to the Property or the Premises. Lessee shall remove all of the Equipment and associated property at its sole expense, within thirty (30) days of the expiration or earlier termination of this Deed of Lease and shall make any necessary repairs to the Property or Premises, reasonable wear and tear ~~expected~~ excepted, caused by such removal.

At Lessee's expense, Lessee may upgrade the present telephone and electrical service or install new underground telephone and underground electrical service on the Property or Premises, including, but not limited to a portable standby power generator for Lessee's exclusive use only during emergency conditions when normal electrical power to the Premises is interrupted. Lessee may also bring telephone and electrical power underground through, across, over and under the Property to service the Premises, as shown on **Exhibit B and C**. Any enhancements, upgrades or alterations of these utilities are subject to review and possible approval by the Town, such approval not to be unreasonably withheld, conditioned or delayed. Town shall, upon Lessee's request, execute requisite documents in appropriate legal form evidencing Lessee's temporary license in the form of utility easement rights. The utility

easement rights shall expire or terminate with the expiration or termination, by whatever means, of this Deed of Lease.

- (b) For the term of this Deed of Lease, Town shall provide to Lessee, Lessee's employees, agents, independent contractors and subcontractors an Access Easement as shown on **Exhibit C** through, across, and over the Property to the Premises twenty-four (24) hours a day, seven (7) days a week, at no additional charge to Lessee, for purposes consistent with this Deed of Lease.
  - (c) Lessee is subject to reasonable operating restrictions and limitations determined by the applicable provisions of the Town or Herndon Town Code and Zoning Ordinance, Town's police power and other applicable laws, which shall be provided to Lessee, at Lessee's cost (such cost to be reasonable), in a timely manner.
- 8. **Loss and Damage.** Save for the negligent acts or omissions or willful or wrongful acts or omissions of Town, its agents, employees or contractors, Town shall not be liable for: (i) any damage to property of Lessee located on the Property or Premises or for loss or damage to any property of Lessee or of others by theft or otherwise; (ii) any injury, death, or damage to any persons or property resulting from fire, explosion, steam, electricity, water, rain, snow or leaks from any part of the Property or from the street or sub-surface or from any other place or by dampness; (iii) any such damage caused by third persons, or caused by operations in construction of any private or public work by third persons; (iv) any latent defect in the Premises or in the Property, other than as set forth in this Deed of Lease.
- 9. **Waiver of Town's Lien.** Town waives any landlord lien rights it may have concerning Lessee's Equipment which is deemed Lessee's personal property and Lessee reserves the right to remove same at any time without Town's consent.
- 10. **Notification of Hazard.** Lessee and Town shall give immediate notice to the other in case of fire, accident, or defect in the Premises or in any property comprising the Premises. If any part of the Equipment or Property is damaged by casualty or other harm so as to render the Premises unsuitable under this Deed of Lease, in Lessee's sole determination based on recognized engineering standards, then Lessee may terminate this Deed of Lease by providing written notice to Town, which termination will be effective as of the date of such casualty or other harm. Upon such termination, Lessee will be entitled to collect all insurance proceeds payable to Lessee on account thereof and to be reimbursed for any prepaid Rent on a prorata basis.
- 11. **Termination.**
  - (a) This Deed of Lease may be terminated by either party, providing thirty (30) days' prior written notice, upon default of any term of this Deed of Lease by the other party, which is

not cured within thirty (30) days of receipt of written notice (“**Cure Period**”). Upon default and failure by the defaulting party to cure the default within the Cure Period, the non-defaulting party may terminate this Deed of Lease and exercise any other remedies it may have under this Deed of Lease or at law or equity. No such failure shall be deemed to exist if the defaulting party has commenced to cure the default within such time, provided that such efforts are prosecuted to completion with reasonable diligence.

- (b) This Deed of Lease may be terminated by Lessee, without further liability, upon providing ninety (90) day’s prior notice to Town:
  - i. if after the Commencement Date of this Deed of Lease an application by Lessee for a permit, license or approval (including, but not limited to, the Governmental Approvals) is rejected or upon cancellation, expiration or lapse of a permit, license or approval necessary for use of the Premises and operation of the Equipment; or
  - ii. if Lessee determines using the standards in the industry, due to technological reasons, the Premises are no longer suitable for their purpose; or
  - iii. if Lessee determines, in its sole discretion, due to the title report results or survey results, that the condition of the Premises is unsatisfactory for its intended uses.
- (c) This Deed of Lease may be terminated by Lessee without further liability, upon providing thirty (30) day’s prior notice if the Premises or Equipment are destroyed or damaged beyond reasonable repair. In such event, all right and obligations of the parties shall cease as of the date of the damage or destruction.
- (d) This Deed of Lease may be terminated by Town as provided in this Section 11. Upon Lessee’s default and the expiration of applicable cure period, Town may, with or without entry or other action, at once terminate this Deed of Lease, and upon such termination shall be entitled to recover possession of the Premises and Property and such damages as Town may then have or may in the future suffer as a result of the default and termination.
- (e) In no event shall either party be liable for any consequential, punitive, special, or any indirect damages of any kind or nature whatsoever.
- (f) Subject to the foregoing, Town shall have all of the rights and remedies accorded by law and equity, including specifically the right to injunctive relief for the enforcement of all of the terms of this Deed of Lease.

Such policy shall provide that non-renewal

or cancellation will not occur without at least thirty (30) days' prior written notice to Town. Lessee may self-insure, in the amounts set forth above, against any loss or damage which could be covered by a commercial general public liability insurance policy. Lessee shall hold harmless and indemnify Town its officers, officials, and employees, against claims, legal actions, suits or proceedings, and Town's reasonable expenses (including attorney's fees) incurred in this regard, to the extent directly resulting from the Lessee's negligence or willful misconduct in connection with its operations under this Deed of Lease. Notwithstanding anything to the contrary contained herein, this indemnification shall not apply to liability for damages arising out of bodily injury to persons, or damage to property, caused by or resulting from, the negligence or willful misconduct of town, its agents, or employees. The indemnifying party's obligations under this section are contingent upon its receiving written notice within ninety (90) days following any event giving rise to an obligation to indemnify the other party and the indemnified party's granting Lessee the right to control the defense and settlement of the same.

Lessee represents warrants and agrees to conduct its activities on the Premises in compliance with all applicable environmental laws. **Re: Zoning Ordinance Review: Accessory Dwelling Units**

Dear Mayor Olem and Members of the Herndon Town Council:

On behalf of the Town of Herndon Planning Commission, I am offering the following comments for your consideration in relation to accessory dwelling units. Based on the planning commission's review of accessory dwelling unit special exception applications and the need to create more affordable housing options for town residents, the planning commission has begun a dialogue related to accessory dwelling units and whether it is appropriate to consider an update of the existing accessory dwelling unit section of the Town of Herndon Zoning Ordinance ("Zoning Ordinance"). Based on these discussions, the planning commission would support the town council's initiation of a Zoning Ordinance Text Amendment ("ZOTA") of Section 78-80.4 (a) of the Zoning Ordinance which specifically addresses accessory dwelling units.

The discussions undertaken by the planning commission over the past few meetings have been supplemented by background information provided by town staff. This background information offered a thorough perspective of regional and national trends related to accessory dwelling units. It turns out that almost all of the local jurisdictions in Northern Virginia, including Fairfax County, Loudoun County, Arlington County, and the City of Alexandria, have recently reviewed and updated their accessory dwelling unit ordinances. Many of these ordinance revisions are based on the desire to create more affordable housing options and to update their ordinance standards to align with national trends in accessory dwelling units.

Herndon's accessory dwelling unit ordinance was adopted in 1983 and has not been updated since its adoption. As was the case with many local jurisdictions at that time, the focus of accessory dwelling units was to create housing for elderly or handicapped individuals. The term "Granny Flat" was often used when referring to accessory dwelling units. As we have seen in other local jurisdictions, and as part of a more national trend, accessory dwelling units are now serving a different purpose. They can be used to create a more affordable housing option while still serving the original purpose of supporting elderly and handicapped individuals.

While the planning commission supports a review of the entire accessory dwelling unit section of the Zoning Ordinance, as well as a review of the Zoning Ordinance's definition of an

accessory dwelling unit, the planning commission has specifically identified the following portions of the accessory dwelling unit section for review and potential revision:

- Requirement for a special exception;
- Possible consideration of use permit renewals;
- Size of the accessory dwelling units and consideration of setback requirements;
- Removal of accessory dwelling unit improvements if the occupancy standards are no longer met as well as the evaluation of the appropriateness of the occupancy standards;
- Inclusion of accessory dwelling units in single-family detached and/or single-family attached dwelling units;
- Amount of parking required for an accessory dwelling unit and if a more nuanced approach to parking that accounts for proximity to transit or on-street parking in the historic district should be considered; and
- Possible review of affordability or financing provisions in conjunction with accessory dwelling units.

The planning commission hopes this information will be helpful to the town council in considering a possible accessory dwelling unit ZOTA. We stand by ready to respond to any questions or comments from the town council. We look forward to further discussions related to this issue. Thank you.

Sincerely,

Town of Herndon Planning Commission

14. **Indemnification.** Evince shall indemnify, defend and save Town harmless from any and all liabilities, expenses (including attorney's fees), causes of action, suits, claims or judgments and losses incurred by Town as a result of: (A) failure by Evince to perform any covenant required to be performed by Evince in this Lease; (B) failure to comply with any laws, ordinances, regulations or requirements of any governmental authority; (C) any mechanics' lien or security agreement or other lien filed against the Lease Premises, or fixtures and equipment belonging to Town; and (D) any negligent act or omission of Evince, its officers, trustees employees, and agents.

(B) If Town elects not to terminate this Lease under the provisions of subparagraph (A) above, Evince shall, at its own cost, restore the Lease Premises to substantially the same condition as immediately preceding such loss, provided that the cost of such work shall not exceed the insurance proceeds received by Town on account of such loss. Town shall not be required to pay for, restore or replace any furnishings, fixtures, collections or any other personal property of Evince. During the period in which the Lease Premises are untenable, the Term may, at Town's option, be extended by an equivalent period of time. In case of emergency, Town may enter the Lease Premises without advance notice or consent of Evince; provided, however, Town shall give notice to Evince of an emergency entry within a reasonable amount of time.

18. **Default; Surrender.**

(A) Each of the following shall constitute an Event of Default: (i) the Lease Premises is vacated or abandoned by Evince prior to the end of the Term (ii) Evince files a voluntary petition in bankruptcy, or is adjudged bankrupt or insolvent by any federal or state court, or files any petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any present or future federal or state law or regulation relating to bankruptcy, insolvency or other relief for debtors, or consents to or acquiesces in the appointment of any trustee, receiver or liquidator, or makes any general assignment for the benefit of creditors; (iii) Evince files Articles of Termination of Corporate Existence with the State Corporation Commission; or (iv) failure by Evince in the performance of any material obligation under this Lease for more than 15 days following written notice thereof from Town.

Any property of Evince that remains on the Lease Premises after the expiration or termination of this Lease may be treated by Town as Town- owned property. Evince shall surrender all keys to Town.

Attorney's fees: In the event it becomes necessary for Town to obtain the services of an attorney and take legal action against Evince in connection with the breach of conditions herein set forth on the part of the Evince, Evince agrees that any court shall have the power, in addition to all other relief allowed by law, to require Evince to pay attorney's fees, plus the clerk's fee and any and all other additional costs that may be incurred in the event that legal action becomes necessary.

19. **Termination.** Either party may terminate this lease prior to its expiration with 6 month written notice.
