Amend the Agenda

Mayor LeBlanc stated that there was a need to amend the agenda to include two additional closed meeting topics. He asked for a motion to amend the agenda to add two closed meeting topics, pursuant to the Code of Virginia Sections:

- Section 2.2-3711(A)(3) for discussion or consideration of the acquisition of real property for a public purpose in the downtown where discussion in an open meeting would adversely affect the bargaining position or negotiating strategy of the public body; and

- Section 2.2-3711(A)(8) for consultation with legal counsel regarding a specific legal matter requiring the provision of legal advice, relative to a criminal prosecution.

Councilmember del Aguila moved to amend the agenda to include the two additional closed meeting items, and Councilmember Lloyd seconded the motion.

2. Discussion

a. Legislative Agenda Discussion

[Note: Councilmember Garcia arrived at 7:02 p.m.]

Mayor LeBlanc provided background on the legislative agenda, noting the need for position statements for legislators so that all types of localities are included in discussions when there are revenue and land use considerations. He also noted that amendments to the Town Charter may be considered to incorporate minor but important revisions. He recognized Lesa Yeatts, Town Attorney, for comments.

Ms. Yeatts stated that the Town Charter has not changed in many years, and though the legislature had not been entertaining charter amendments for some time, the legislature may be receptive to a few housekeeping revisions. She outlined the following proposed amendments:

- Section 4.1: Expand the Town Manager's required domicile radius beyond the Town limits, while remaining in proximity.
- Section 5: Update the appointments section, to update the language to be concurrent with State and Federal employment law.
- Section 7.5: Remove outdated language relating to a disbanded school board, and to accurately reflect Fairfax County Public Schools (FCPS) as the school authority.

Ms. Yeatts stated that, consistent with current practice, staff will recommend that the Council consider adopting the Virginia Municipal League (VML) polices resulting from the 2025 Annual Conference. Position statements are expected in November.

There was discussion among Council and staff on the legislative agenda items under consideration. Staff will proceed with preparation of the legislative agenda as discussed, including the proposed charter amendments for Council consideration.

b. Request to consider a donation to Arts Herndon in support of the Juneteenth event held June 21, 2025 (continued from the July 15 and August 6, 2025 meetings)

The request item was rescheduled from the July 15 regular meeting and the August 6 work session to allow for full discussion of the questions.

Mayor LeBlanc provided an update on this item, stating that Arts Herndon had answered the questions the Council asked the organization. He requested staff to draft a resolution for the next regular meeting's Consent Agenda to award the donation in the amount requested.

There was discussion among Council and staff regarding the donation and the proposal to proceed with awarding the donation.

Vice Mayor Hedrick asked if the request is part of our current festivals and donation policy. Mayor LeBlanc answered that the request is not from the donation and events budget because it was a separate line item that year.

Following discussion and with the consensus of Council, staff was asked to add a resolution awarding the donation to Arts Herndon to the Consent Agenda of the next regular meeting's agenda.

c. Town of Herndon Youth Engagement Policy

Mayor LeBlanc recognized Kirstyn Barr Jovanovich, Interim Town Manager, for comments. Ms. Jovanovich explained that the purpose of the proposed policy is to engage with, and to obtain feedback from, the youth on Town initiatives and activities.

The proposed policy establishes a structured, school-based framework gathering and incorporating youth perspectives by reaching a broader group of students. She emphasized increasing membership, expanding community representation, and holding meetings at schools to align with Fairfax County Public School (FCPS) policies.

Mayor LeBlanc recognized Herndon High School (HHS) Principal Dr. Elizabeth Noto to provide information on student feedback and available resources for students and their families. Dr. Noto stated that holding meetings during the school day would encourage a more diverse group of students, providing a wide range of feedback to the Town.

Dr. Noto described her recent work with community members, faith-based organizations, and other schools to compile resources available to Herndon students. Mayor LeBlanc advised that he has been part of this group and said that the Town Council would be the face of the Town's engagement with the schools.

There was discussion among Council and staff on the proposed Youth Engagement Policy. The following items were considered during discussion:

- Coordination among Mayor LeBlanc, staff, and Dr. Noto to ensure that students who are homeschooled, or attending private and alternative schools, are included.
- FCPS policies, including the visitor management system at HHS.
- Ways to support the relationships between the Town, schools, and community members, including how the Youth Engagement Policy goals overlap with the Community Inclusion and Engagement Committee (CIEC).
- Roles of staff and the Town Council liaison in managing the logistics and outcomes of the Youth Engagement Policy.

Following discussion and with the consensus of Council, staff was directed to draft a resolution implementing the Youth Engagement Policy for the next regular meeting agenda.
